

Boston FAASTeam presents:

AERO CLUB OF NEW ENGLAND Fall 2021 Piloting Seminars

Join us for 2 presentations:

ACONE member, Master CFI and Jet Mentor Neil Singer will speak about how to pass your next check ride by thinking like an examiner.

Plus, Dave Strassburg, FAA WINGSPRO Instructor (known as "The WINGS Guy"), will lead a talk on personal proficiency techniques that some general

aviation pilots now incorporate (just like many professional pilots do!)

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

Directions: GPS is recommended.

Falcon Air is accessed through the Northeast corner of the terminal parking lot, It is two buildings over to the right from the main terminal building and two buildings over to the left from the Air Traffic Control Tower (ATCT).

Fly-ins should contact Falcon Air ahead of time as parking may be on Falcon's ramp or other nearby ramps based upon a space available basis.
